

# Meet Your Teacher

## EMMA BENNETT

### ABOUT ME

I have dedicated my career to being an art teacher, spending the past 14 years teaching across a wide range of age groups and loving every minute. I can't wait for all the adventures ahead at Bosvena!

Outside the classroom, I'm usually outdoors with my husband and our four boys - exploring the moors, helping on the farm, or wandering through the woods.

### FUN FACTS

- Autumn is my favourite season!
- I have a Master's degree in the
- Arts and I create and sell my
- own artwork!
- I once spoke in the House of
- Commons!
- I'm only 5'2", but with my heels
- and hair, everyone thinks I'm
- taller!

### TEACHING PHILOSOPHY

I believe that all learning is inherently creative and that creativity is a powerful vehicle for helping students explore, understand, and express themselves. My goal as a teacher is to create safe, nurturing environments where every child feels valued, supported, and confident to take risks in their learning. I am passionate about discovery learning, facilitating opportunities for children to uncover their talents and develop into the best versions

### INTERESTING INFO

Last year, my family and I raised over £4,000 for Cancer Research UK (Children & Young People), and I'm excited to take on our next challenge!
