The First Members of the Bosvena Team Visit the Site

On Monday 12th May, the first members of the Bosvena team including teachers, our site manager, and HLTA had the exciting opportunity to visit the new site. They were absolutely blown away by how fantastic it's looking! While it's still very much an active building site, work is progressing well and remains on track for us to receive the keys by early July. We're already looking forward to the next site visit in June, when we hope to welcome even more members of the new Bosvena team to see the incredible progress for themselves!

Headteacher Welcome

Welcome to the first edition of the Bosvena Newsletter! These monthly updates will be shared in the lead-up to our exciting school opening and will keep you informed every step of the way. Each edition will include a range of updates from progress on site developments to news about staffing. We'll also share key information about transition arrangements and important dates to add to your diary. I'm really looking forward to meeting you all soon. In the meantime, if you have any questions or need further information, please don't hesitate to get in touch.
